We are *Family*

The family. We were a strange little band of characters trudging through life sharing illnesses and toothpaste, coveting one another's desserts, hiding shampoo, borrowing money, locking each other out of our rooms, inflicting pain and kissing to heal it in the same instant, loving, laughing, defending, and trying to figure out the common thread that bound us all together.

- Erma Bombeck

The strongest bond of human sympathy outside the family relation should be one uniting working people of all nations and tongues and kindreds.

- Abraham Lincoln

We are *Community*

We are CU

The aim of the college, for the individual student, is to eliminate the need in his life for the college; the task is to help him become a self-educating man.

- George Horace Lorimer

This overcoming of all the usual barriers between the individual and the Absolute is the great mystic achievement. In mystic states we both become one with the Absolute and we become aware of our oneness. This is the everlasting and triumphant mystical tradition, hardly altered by differences of clime or creed.

- William James

Baptist Collegiate Ministries

Baptist Collegiate Ministries is an organization whose main goal is to glorify God and do whatever it takes to bring others to know Him! BCM is a Christian outreach group designed to meet the spiritual needs of our students and the community around us. We are here for encouragement and guidance to Christian students and those wanting to learn more about Christian faith.

"Mission, passion, friends, and faith. This is who we are: this is BCM"

"Good food, good message, and great people"

"Jesus + Life + Friends = BCM"

BCM meets regularly every Tuesday at 12:30 in the Ken Tramel Student Center for fellowship, a good home cooked meal and a short devotion, all courtesy of local churches in Lebanon. Many find that this is a great time to take a break from hectic schedules and demanding classes and just hang out, develop new friendships and strengthen existing relationships, with people and God!

Alpha Chi National Honor Society is a coeducational society whose purpose is to promote academic excellence and exemplary character among college and university students and to honor those who achieve such distinction. As a general honor society, Alpha Chi admits to membership students from all academic disciplines. Membership in Alpha Chi recognizes previous accomplishments and provides opportunity for continuous growth and service. It seeks above all else to serve the needs of the students who comprise its membership. As a phrase from its constitution suggests, Alpha Chi seeks to find ways to assist students in making scholarship effective for good. Student participation in Alpha Chi activities may take place at the local, regional, and national levels. Local chapters, of which there are now 289 active, operate under a charter issued by the national organization. At least once a year, the local chapter inducts into active membership those junior, senior, and graduate students of good character who rank in the upper tenth of their classes. The Cumberland University Lambda Chapter of Alpha Chi was installed on April 26, 1986, fell dormant after 2004, and was reactivated in 2009 through the efforts of interested undergraduate and graduate students. Currently, the Faculty Advisor is Dr. C. William Mckee.

This year the society has picked up trash on our section of HWY 231 that we have adopted. We have gone caving at Cedars of Lebanon State Park, and held an induction ceremony to welcome new members. We also sponsored a Valentine's Day Teddy-bear sale. Earth Day is also coming up on April 15th, and we will be collaborating with the Lebanon Beautification Committee to pick up trash in the community.

History:

Gamma Sigma Alpha was founded to promote intellectual interaction between Greek students and the academic community. A group of scholastic achievers at the University of Southern California, representing various Greek fraternities and sororities, joined together to create an organization dedicated to the advancement of higher education and academic accomplishment. The Alpha Chapter of Gamma Sigma Alpha was founded on November 9, 1989, as a result of this student effort. The national board was established the following year to promote the Society's IDEALS on campuses across the country. The Society quickly grew to over 150 chapters in its first eleven years.

About:

"Gamma Sigma Alpha is committed to the leadership, academic achievement and excellence of Greek members everywhere."

Gamma Sigma Alpha exists to recognize and advance academic excellence as a core value of fraternities and sororities. We do this through our recognition of Greek communities with GPAs over the campus average, scholarships for members pursuing graduate work, presenting academic programming at regional conferences, and our research initiative.

Welcome Week

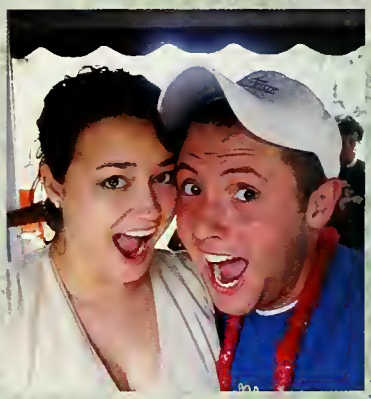
Welcome week is a celebration of yet another school year at Cumberland University. Each year comes with different opportunities to participate in enjoyable activities. Each year Student Affairs hosts both greek life and student group tables in order to inform those new to campus about the many oppurtunities available at CU. Welcome week is basically a platform to show everyone how great the year ahead is expected to be.

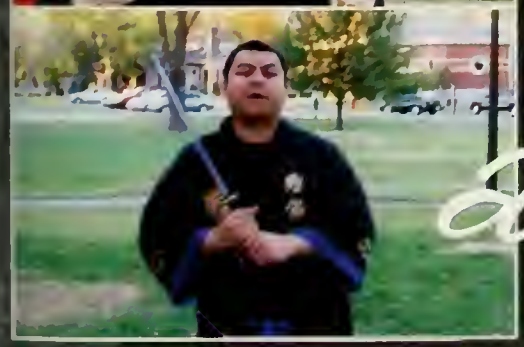
All smiles and a limbo contest. How much more could you ask for?

To the left is Kappa Sigma and Alpha Sigma Tau. Above is a hula hoop contest.

What's that?!?

To the left we have the sacrifice being taken since it's traditional of welcome week...okay so we're not really serious about that it's more like monkeying around. To the right we have Chris and Keeley who are sharing a Kodak moment.





This event is hosted by the STEA and tends to have a wonderful turnout of people from around the community. Each year brings more crazy costumes and more enjoyable activitites for everyone.

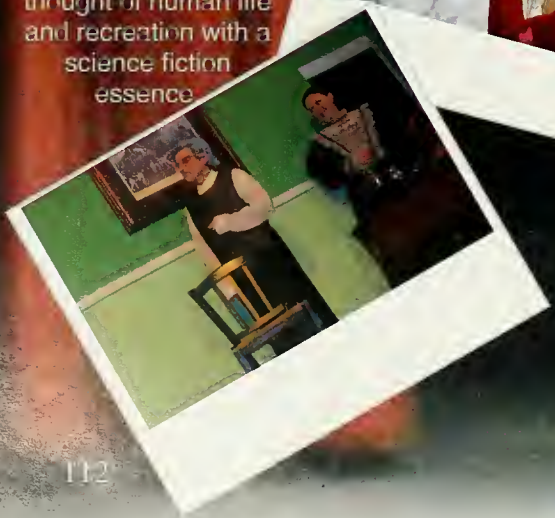
Love Rides the Rails is a melodramatic play with villanous characters and virtuous heros which makes for a combination of laughter and enjoyment.

Frankenstein is a dramatic play adapted from Mary Shelley's novel "Frankenstein." The play has woven throughout it the thought of human life and recreation with a science fiction essence.



Proudly Present...

Nunsense 2 is the follow up to Nunsense and has the nuns hilariously putting on a thank you show with drama and comedy intertwined throughout it. The show is a spectacle of nuns in show business and it is as funny as it sounds.

Convocation

Cumberland UNIVERSITY

The Cumberland Creed:
Academic honesty is essential to effective learning. Therefore, we as seekers of knowledge hold these as our core values: personal integrity, individual worth, critical and independent thinking, discipline, community responsibility and accountability.

Convocation is a time honored tradition here at Cumberland University. After several years, the Administration and Student Government came together to bring Convocation back to the campus. The ceremonies focus on the academic integrity of our institution and prove that Cumberland University is held high in the eyes of those surrounding and supporting the University. The "Cumberland Creed" was issued to every student and each school had the opportunity to sign the Creed to show their support in Cumberland's efforts to withhold the standards of a presitgious university.
